

The Kantcentrum must stay!

With **more support** of the local, provincial and Flemish authorities.

The Bruges Kantcentrum threatens to disappear due to a lack of financial means and support

If the Bruges Kantcentrum stops:

- a unique front for lace will disappear
 - a decade of exceptional knowledge will perish
 - numerous lace students will be left in the cold
 - Bruges will no longer have a lace
 - Bruges will lose an ambassador from home and abroad
-

We do not want this!

The Bruges Kantcentrum must stay open with **more support** from the local, provincial and Flemish authorities.
